Each day includes outdoor adventures, creative exploration, and games that get us moving and enjoying fresh air. Campers might build a whimsical garden fairy house, design a cozy gnome home, create nature-inspired sculptures, or paint using natural materials—all while learning to see the world around them in new and creative ways.

We'll spend most of our time outside, rain or shine, so come ready for anything! All art materials are provided—just bring a water bottle and wear clothes that can get messy.

Come create, explore, and celebrate the wonder of God's world!
