*"Divine Redeemer is an absolutely wonderful school and it's the sole reason we are still in Wisconsin. My daughter has been in attendance since Kindergarten and she is absolutely thriving. I love that they teach the kids about the Bible through their curriculum and have chapel on Wednesdays. She has great friends, the parents of her peers have strong values, and her teachers truly teach in a way that brings out the best in each student. Class sizes are small which definitely helps with that." - Recent Parent Review*

"Our Open Houses are a great way for families to experience firsthand the nurturing environment we provide." - Tracey Markut, Admissions Director

Visitors will have the chance to tour classrooms, meet teachers, and ask questions about our academic programs, extracurricular activities, and faith-based education.
